

Thank you for your interest in being a featured guest on The Q-Chat Podcast! If you are receiving this email, you or a client you represent have either recorded an upcoming episode with us or you are scheduled to record with us soon! Our team is so happy to have you! The Q-Chat is a growing platform and it is the perfect representation of The Geaux Queen brand. The main focus of the brand is to spotlight black excellence, important substance, social relevance in addition to entertainment. All of our guests leave with an amazing experience on a professional platform that welcomes them with respect, dignity and class while allowing them to tell their stories in the absolute best light!

A Combined Total of 51.7K Plays and Views & Counting as of February 2022

Our platform has reached a lot of significant milestones over the past few months. From interviewing high profile guests such as, **R & B Singer Raheem DeVaughn, Tyler Perry's BET Series "Sistas" Actress Novi Brown, BET Series American Gangster Trap Queens: Ayana Bean, Disney Channel Secrets of Sulphur Springs" Trina LaFargue, Singer Eric Roberson, and many more.** In addition, The Q-Chat recently was a part of the red carpet coverage team October 10 in Atlanta GA at the Tommy Ford Legacy A Thon Awards Show. Our hostess, Shronda Armstrong, interviewed Gary With The Tea (The Rickey Smiley Morning Show), R & B Legend Tony Terry, Humanitarian Hank Stewart and more! [Watch the Red Carpet Highlight Reel](#)

Being a featured guest on this podcast platform is an amazing opportunity. As The Q-Chat Podcast grows, the media connections and exposure also builds as well. As a part of this special brand, please see our amazing ad, sponsor and partnership packages. We encourage all guests to look at the benefits of growing with us!

PODCAST TALK SHOW AD OPPORTUNITIES:

•Blog accompanied piece feature: \$150

This add-on piece consists of a blog featured post based off the podcast interview. This is another great way to reach a broader audience. Geauxqueen.com has visitors from all across the country, in addition to international site visitors. A blog feature is the perfect partner to reach a strong reading audience in addition to a listening audience.
